MICHAEL W. DOBBINS
CLERK, U.S. DISTRICT COURT

April 22-08

07 CR 50067

Attention please -

First of I am sorry for
the red pen but this is all
I have.

What I am about to
say I am going to say with
respect and I mean no
disrespect to anyone -

I was convicted on
April 4 - 2008 to 10 months
in Prison. At the time
I was receiving 44 per month
for disability which was taken
~~for~~ back for overpayment to
me so this will be shut
off when I enter Prison -
I only live on \$613⁰⁰ a month
from my husband's death
benefits this is the most
he has ever given me -
So when I enter Prison
this will shut off I am
not able to work I have
Gran Mal Seizures plus
Pete seizure activity on the
(over)

brayn 24 hrs a day which
 I take 1000 to 1500 mgs
 a day - I have congestive
 heart failure which I was
 to enter rehab for it, but
 the judge didn't think that
 was essential to the case -
 I have other health issues
 also, I can not work -

I get my food stamps
 right now, but when they don't
 last for the month I eat a
 piece of bread and drink
 some water this is not a lie
 it is really ruff -

What got me in trouble
 I kept my apt. paid my
 rent (2) Bedroom my husband
 would come and go cause he
 was an alcoholic and a beater
 the lease was in both names
 so he couldn't throw me
 out he had his room and
 I had mine -

I am 62 years old and
 I pray every day that the day
 I leave will be my last

When I get out of prison
I will only have \$613⁰⁰
death benefits to live on.
And I hope that maybe
I will find a cheap place
to live. I have to give
up my home, dispose of
all of my stuff cause I
can't afford to put it in
storage. All my benefits
stop so no one will get
anything at least when
I die as out you got the 44⁰⁰
per month. I even asked
for home confinement with
my health issues and I
worked with those people
anything they wanted from
paper requests to phone calls
weekly, but you know I
am a hardened Criminal -
The funny part of it I
know one lady getting Social
Security and another lady
got her Social Security started
stating she rented her home
from a landlord in Florida
over

When my registry has
 passed and we own
 their own home which
 she still lives in also
 doing illegal tapes of new
 movies for P.O.'s and
 then marks them thru
 the postal system.

But I am the bad
 Criminal I admit I have
 a past history which every
 month I was taking 30⁰⁰
 out of 613⁰⁰ rent \$550⁰⁰ and
 what was left over my
 granddaughter lives with ~~my~~ me
 and she help with the utilities
 now she has to move - she is
 30 years old.

I know I did wrong
 I only used that to pay my
 rent and usually there wasn't
 much left over so my
 daughter would help me.
 My husband was an abuser
 alcoholic but most of all
 he was a mental abuser
 which is worse than the physical

I am sorry I am
 writing so much my parents
 never wanted me and I
 was told not to attend
 there funerals - my mom
 died Dec 05 - my dad April 06
 and my husband June 06 -

Please understand if
 I could work or if I had
 more confinement my
 money probably would still
 come to me but by putting
 me in prison that will
 shut everything off \$4400
 was better then nothing
 but the judge didn't see
 it that way

I hope I have not
 offended anyone cause I
 would never ~~to~~ meant to
 hurt anyones feelings or
 would I want to make
 you think I disrespect you -

*Not trying to be smart
I have no money - and what I had the
over*

the judge had it shut off so
I guess I.O.U. is better than
trying not to pay it back as
my health conditions will not
let me work
